NEUROTICA

There is neither source nor end, for all things are in the Center of Time. As all the stars may be reflected in a round raindrop falling in the night: so too do all the stars reflect the raindrop. There is neither darkness nor death, for all things are, in the light of the Moment, and their end and their beginning are one.

The Met Office predicts 2023 will be one of the hottest years on record.
